

## How to Deposit Epic Cash on TradeOgre From Your GUI Wallet

1. Ensure that you are using the latest version of the GUI wallet.
2. Open your GUI wallet.
3. Click on **'Send.'**
4. Enter the amount of Epic Cash you wish to send to TradeOgre in the text input box.
5. Click on **'Create Offline Transaction.'**
6. Choose the folder where you want to save the file and click **'Save.'**
7. Log in to your TradeOgre account.
8. Click on **'Deposit.'**
9. Click on the coin dropdown and select **EPIC Epic Cash.**
10. Click on **'Choose File.'**
11. Locate the file you downloaded from your GUI wallet, click on it, and then click **'Open.'**
12. Click **'Submit.'**
13. Click on **'Response File (click to download).'**
14. In your GUI wallet, click on **'Finalize Offline Transaction.'**
15. Locate the file you downloaded from TradeOgre. It should be in your Downloads folder, and the file will be named **'tx.response.'**
16. Drag and drop the transaction file into your GUI wallet's file drop box, or click the drop box to search for the file using your file manager.
17. If everything was done correctly, the status in the GUI wallet's file drop box should read **'Transaction Success.'**

## How to Withdraw Epic Cash from TradeOgre to Your GUI Wallet

1. Log in to your TradeOgre account.
2. Click on **'Withdraw.'**
3. Click on the coin dropdown and select **'EPIC Epic Cash.'**
4. Enter the amount of Epic Cash you wish to withdraw under **'Withdraw Amount.'**
5. Click on **'Withdraw.'**
6. Click on **'Transaction File (click to download).'**
7. Open your GUI Wallet.
8. Click on **'Import Offline Transaction.'**
9. Locate the file you downloaded from TradeOgre. It should be in your Downloads folder, and the file will be named **'receive.input.'**
10. Drag and drop the transaction file into your GUI wallet's file drop box, or click the drop box to search for the file using your file manager.
11. After this, the GUI wallet will prompt you to choose a location to save the Response File, which will be named **'finalize\_receive.'**
12. Choose the folder where you want to save the file and click **'Save.'**
13. Return to TradeOgre and click **'Choose File.'**
14. Locate the file you downloaded from your GUI wallet, click it, and then click 'Open.'  
The file should be named **'finalize\_receive.input.'**
15. Click **'Finalize'** to complete the process.
16. If everything was done correctly, the status under 'Withdrawal History' in TradeOgre will show as **'SUCCESSFUL.'**
